

JOST Forged Alloy Wheels

JOST Premium Forged Alloy Wheels are manufactured to exacting standards to suit Australian and New Zealand conditions.

- Half the weight of steel rims*
- Reduced tyre wear
- Strong and durable
- Increased fuel economy
- Reduced brake maintenance
- 5 year unlimited km warranty
- Available in Machined, Polished and Superchrome™ finishes
- Available for steel wheel conversions including sleeve nuts

*average weight statement compared to a quality 22.5x8.25 Steel disc wheel equivalent.
